To Whom It May Concern:

Subject: Consent Decree Action 80-73699

I apologize for the late transmission of the December inspection of the Riverview site. The inspection was made as scheduled; however, due to year-end vacations it was not printed and forwarded. Steps have been taken to prevent a similar problem in the future.

As requested by Bonnie L. Eleder, I am sending each of you copies of information on test results on the clay cap.

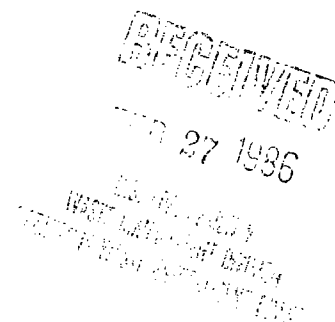

Information requested on the monitor wells will be forthcoming as soon as it is assembled.

Yours very truly,

C. W. Axce
General Manager
Wyandotte Works

P.S. Dale Roush recently submitted analytical results for the Riverview site. I have attached copies of this transmittal in case the original is still caught up in your internal mail systems.
